ASSIGNMENT OF LEASE

INTERSTATE COMMERCE COMMISSION

FOR VALUE RECEIVED, Helm Financial Corporation, a California corporation ("Assignor"), hereby assigns and transfers to THE PHILADELPHIA NATIONAL BANK, a national banking association ("Assignee"), its successors and assigns, all of Assignor's right, title and interest in and to those certain Leases of Railroad Equipment (the "Leases") dated as of December 26, 1988 and filed under ICC Recordation Nos. 16146 and 16147 for the lease of certain railroad equipment (the "Equipment") as listed in Exhibit A to each of the Leases of which The Detroit Edison Company, a Michigan corporation is Lessee and Assignor is lessor, together with all rentals and other moneys due thereunder and all proceeds from insurance, condemnation and requisition proceedings payable to or receivable by the Assignor under or in connection therewith, and all rights, powers and remedies (but none of the duties or obligations, if any) of Assignor under the Leases, including all rights of the Assignor to give and receive any notice, consent, waiver, demand or approval under or in respect of the Leases, to exercise any election or option thereunder or in respect thereof, to accept any surrender of any property subject thereto, to execute and deliver any bill of sale for the Equipment and to do all other things which Assignor is entitled to do under the Leases.

Assignor authorizes Assignee to do every act and thing in the name of the Assignor, Assignee or otherwise which Assignee may deem advisable to enforce the terms of the Leases, and the Assignor hereby irrevocably appoints Assignee the true and lawful attorney for the Assignor with full power of substitution and revocation, together with full power and authority in the name of the Assignor, Assignee or otherwise, to demand, enforce, collect, receive, receipt and give releases for any moneys due or to become due under or arising out of the Leases or any policy of insurance or indemnity relating to the Equipment subject thereto or the Leases (including any returns of premium), to endorse all checks and other instruments payable to Assignor relating to the Leases or the Equipment and, with the written consent of Assignor unless and until a default shall have occurred under that certain Security Agreement between Assignor and Assignee dated as of May 12, 1989 (the "Security Agreement") or that Non-recourse Promissory Note by Assignor in favor of Assignee dated as of May 12, 1989 (the "Note"), to do and take all such other actions as are referred to in the preceding paragraph relating to the Leases or the Equipment, to file any claims or institute any proceedings for the foregoing which Assignee deems necessary, and to compromise any such demand, claim or action. Provided, however, that Secured Party shall not as long as no Event of Default (as defined in the Security Agreement) or other event which with the giving of notice or the lapse of time or both could become an

Event of Default under the Leases or the Security Agreement shall have occurred or be continuing without the written consent of Assignor, seek to enforce any of the rights, powers or remedies of Assignee under the Lease, except that nothing herein shall prevent Assignee from seeking to enforce any payment or indemnity at or after the time it is due under the Leases or any policy of insurance relating to the Equipment before the failure to make said payment becomes an Event of Default under the Security Agreement or the Leases.

Notwithstanding the foregoing, it is expressly agreed that (i) Assignor shall remain liable as lessor under the Lease to perform all of the obligations assumed by it thereunder, (ii) the obligations of Assignor under the Leases may be performed by Assignee or any subsequent assignee without releasing Assignor therefrom, (iii) the Assignee or any subsequent assignee shall have no liability or obligation under the Lease by reason of this Assignment and shall not, by reason of this Assignment, be obligated to perform any of the obligations of Assignor under the Leases or to file any claim or take any other action to collect or enforce any payment assigned hereunder.

Assignor agrees that at any time and from time to time, upon the written request of Assignee or any subsequent assignee, Assignor will promptly and duly execute and deliver any and all such further instruments and documents as Assignee or any subsequent assignee may deem necessary or advisable in obtaining the full benefits of this Assignment and of the rights and powers herein granted.

Assignor hereby agrees (i) to perform duly and punctually each of the terms, conditions and covenants contained in the Leases, (ii) to notify promptly Assignee or any subsequent assignee of any default or alleged default by any party to the Leases or any termination or alleged termination thereof, and (iii) without the prior written consent of Assignee or any subsequent assignee, not to extend, amend, supplement, modify or terminate the Leases or agree to, or permit, any modification, waiver or other alteration of the terms thereof.

Assignor does hereby warrant and represent that the Equipment has been delivered to and accepted by the Lessee under the Leases, the Leases are in full force and effect and that Assignor has not assigned or pledged (except to the First National Bank of Boston, which assignment and pledge shall be terminated concurrently herewith), and hereby covenants that it will not assign or pledge, so long as this Assignment shall remain in effect, the whole or any part of the rights hereby assigned, to anyone other than Assignee, its successors or assigns. Pending further notice by Assignee, the Lessee under the Leases, is hereby authorized and directed to pay all rent and other sums payable under the Lease, as they become due, directly to or as directed by Assignee.

This Assignment is made pursuant to and for the purposes of that certain Security Agreement, of even date herewith, given by Assignor to Assignee to secure the payment of the Note and all other obligations referred to therein and shall remain in full force and effect until the Note and such obligations have been paid and discharged in full.

IN WITNESS WHEREOF, this Assignment has been duly executed and delivered as of May 19th, 1989.
